Dear Valued Patient:

Thank you for your interest in the Cris Collinsworth ProScan Fund’s Pink Ribbon Mammogram Match Program!

The **Pink Ribbon Mammogram Match** program provides no cost mammograms at our Pink Ribbon Centers to qualified patients. The Pink Ribbon Women’s imaging centers are located in Tri-County, Madisonville and Over-the-Rhine. You may qualify for the program if you are uninsured, underinsured, and have an annual family income at or below 250% of the current poverty guidelines. Attached you will find the application form with more details on qualifying for the program. Please read the eligibility criteria carefully.

Please fill out the application, sign it, and fax, email or mail it back to our office at the address listed at the top of the application. Once we have received the completed application, we will review and contact you. Should you qualify for the program, you will then be scheduled for an appointment. If you do not qualify, our women's imaging staff members will guide you in finding other cost-effective options to receive a mammogram.

Should you make an appointment at one of our Pink Ribbon Centers, you will also be eligible to receive complimentary transportation to and from your appointment at our center. When you schedule your appointment, please let the receptionist know if you would like to schedule transportation as well.

Please understand the information you provide on the application will be kept private and used only to process your application.

Getting an annual Mammogram is the best way to detect breast cancer at its early, most curable stage. Approximately 12% of women will develop breast cancer in her lifetime and more than 8,000 new cases of female breast cancer are diagnosed annually in Ohio. The Pink Ribbon makes getting your annual mammogram as convenient as possible. We hope you will utilize our services!

Thanks,

The Cris Collinsworth ProScan Fund
